The Young Marine program promotes the mental, moral, and physical development of its members. The program focuses on character building, and leadership, and promotes a healthy, drug-free lifestyle. Our mission is to positively impact America's future by instilling our Core Values of Leadership, Teamwork, and Discipline, to mold our members into responsible citizens and future leaders.

We require our Young Marines to keep true to these Core Values while at home, at school, and at play. By providing honest feedback on this evaluation, it will help us in determining if this Young Marine is eligible for future promotions or awards.

Thank you for your time and attention. Should you have any questions or concerns, please feel free to contact us via email at youngmarines@abym.org.
